

Uganda's First Community University

Mountains of the Moon University(MMU) was established in 2005 as a unique nonprofit community University in order to meet the needs of the people living in Western Uganda and beyond.

Public University

Mountains of the Moon University is a **Public University**.

The motion for a resolution of Parliament to Authorise Government to take over Mountains of the Moon University as a Public University was passed by Parliament on 7th September 2021.

Our Vision

To be a centre of excellence in teaching, research and community engagement.

Our Mission

To produce outstanding, well rounded, morally up right and innovative graduates with a knowledge base for making a positive impact on the community.

Teaching, Research & Community Engagement

All of our lecturers are fully qualified and highly experienced in delivering quality education using learner centred techniques. This allows for a more inclusive and productive learning environment which is carried out in adequately equipped facilities at our Lake Saaka Campus. Students at MMU also have full access to our library which contains over 15,000 volumes of books and thousands more in electronic format to assist them in their research studies.

MMU also conducts community outreach programs in the areas of health, education, agriculture, business, environment and technology with communities most in need of such programs.

Flexible Study Options

In order to make our quality programs of study more accessible to people, we offer a variety of flexible study options which include Day, Weekend and Distance. Please contact us for more details on our various study options and which programs these apply to.

Open Distance Electronic Learning (ODEL):

MMU has rolled out Open Distance Electronic Learning (ODEL) across all the academic programs. This is an instructional strategy that offers an opportunity to students to follow courses and study online. Due to numerous reasons (e.g. COVID 19 pandemic) students may be unable to attend full-time campus-based teaching. The students can be engaged through online electronic teaching (ODEL).

Bursaries – Tuition Fees, Government Loan Scheme and Sports Bursary

With Government conversion of MMU to a Public University, the tuition fee has been reduced to a competitive level.

Students are now eligible to apply for government loans through the Higher Education Students Financing Board. (www.hesfb.go.ug)

We also offer 75% Bursary to all Sports talented students applying for Bachelors Programs.
